Portfolio: <https://omarrwiheb.github.io/portfolio/>

Software Developer with a passion for front-end development. Since graduating, I have worked for an NGO for two years, building and deploying digital platforms to enhance operations. I developed front-end and back-end systems, automated workflows, and created dashboards and analytics tools to streamline tracking and decision-making processes.

PROFESSIONAL
EXPERIENCE

The National Head of Digital Experience

AIESEC Italia July 2024 – Present

- Developed and deployed digital platforms, CRM tools, and data systems, enhancing user experience and boosting operations.
- Built analytics dashboards to improve data visualization and decision-making.
